LE MOYNE IN NEW YORK

A Tribute to Jesuit Leadership

2012 Honoree

Michael D. Madden, Class of 1971

Michael D. Madden has long been one of the College's staunchest and most ardent supporters. As the namesake and lead supporter of the College's new School of Business, he will continue to aid Le Moyne in achieving new levels of success based on its historic areas of strength and its development of new high-quality, innovative programs.

A graduate of Le Moyne and the University of Pennsylvania's Wharton School of Business, Mr. Madden has often pointed to the crucial role the College played in his professional development and success. He has generously given back to his alma mater as a former member and chair of the board of trustees, co-chair of the Tradition with Vision Campaign, and founder of the Madden Institute for Business Education. He has even returned to the classroom to teach courses in investment banking at Le Moyne.

Mr. Madden received the inaugural Frank Fernandez Business Leader of the Year Award in 1987 and the Distinguished Alumnus Award in 1996.
