Campus Life Mission

The Campus Life and Leadership Office (CLL) is many things to many people. Since combining Residence Life and Student Activities last year to create the CLL office we have been busy improving the out-of-classroom experience for our students. Our goal is to help students, **Make Connections, Create Community and Build Character.**

To help achieve this the CLL supports the efforts of the Student Government Association, the Residence Hall Association, the Le Moyne Student Programming Board and Resident Advisors.

Please be sure to refer any students to our office that have questions about their housing, student clubs, leadership workshops, and campus events.
