### Campus Life & Leadership Newsletter

## November/December 2012

#### MOSAIC

Multicultural Organizations Supporting Activities, Inclusion & Community is a new student group made up of representatives from the various multicultural clubs on campus. AD Amelia Hoffmann serves as moderator to this group, in conjunction with Barbara Karper and John Haley, MOSAIC's purpose is to foster collaboration among the various multicultural groups, raise awareness of issues related to diversity and promote opportunities for understanding and acceptance across campus.

MOSAIC has already helped to support events like 'You are Not Alone" week, cultural dance lessons and international food nights. They will help to promote the upcoming Latino Banquet, and LMC's first International night this semester. MOSAIC is also working on a multicultural retreat in the spring, and will be involved in the planning and promotion of Black History Month, Women's History Month events.

MOSAIC meets weekly, Thursday nights at 7:30pm in the Harrison Penthouse.

#### **Off-Campus Lottery in 2013**

In the past, a very small number of juniors residing on-campus were approved to move off-campus for their senior year. Based on our current strategic plan for housing during the 2013-2014 academic year, the office of Campus Life and Leadership may not be releasing any students from campus housing for next year. We will continue to monitor enrollment and occupancy needs over the next few months to see if the need for an off-campus lottery in the spring still exists. In either case, changes that have been made this year to the on-campus housing lottery process should result in all students finding suitable housing for the 2013-2014 academic year.

#### **Campus Pub Update**

LSPB has joined forces with SODEXO to extend the Pub Hours and provide late night activities.

The new Pub Hours are:

Mon/Tue 8:30pm-Midnight

Wed Closed

Thurs 4:30pm-Midnight

Fri/Sat 8:00-1am Sun Closed

LSPB is exploring the viability of adding a virtual Juke Box and additional games to the lounge as well as sponsoring activities like: Wing Night on Mondays, Trivia on Tuesdays, Tournament Nights or a DJ on Fridays and Live Entertainment on Saturdays.

The pub serves food, beer & wine every night that they are open and offers additional mixed drinks and liquor on Tuesday, Thursday and Friday.
