

**Le Moyne College Office of Financial Aid
2020/21 Verification of Non-filing Statement**

If you are an independent student, the spouse of an independent student, or the parent of a dependent student who was selected for FAFSA data verification, and you did not file a federal tax return for 2018, then you must submit a Verification of Non-Filing statement from the IRS or relevant tax filing authority to the Financial Aid Office

To request a Verification of Non-filing statement you may use one of the following options:

- Go to www.irs.gov and select “Get Transcript Online” tool
- You can also request the letter by mail using IRS Form 4506-T found at www.irs.gov or on the Le Moyne website. (If using this method, you must wait 10 business day before completing the information below.)

*Please note IRS Non-filing letter only indicates that the individual has not filed a tax return; it does not indicate whether or not the individual was required to file a tax return.

If you attempted, but were unable to obtain the verification or confirmation of non-filing from the IRS or other relevant tax filing authority, please complete the form below:
