Graduate students - All loans will be unsubsidized only and the annual academic year limit is \$20,500.
CAS students – All loans will be unsubsidized only and the annual academic year limit is \$12,500.

How much do you need to borrow?

The maximum you can borrow for summer is tuition plus \$2,500 for additional expenses.
 If you are taking both classes in Junemester or summer session 2, the maximum for additional expenses is \$1,250.
 This maximum may be affected by the Federal Direct Loan limits for your degree program.
 Please note that the lender withholds 1% (subject to change) of your loan request for origination and default fees.
