From the Office of Career Advising & Development

DEAR EMPLOYERS

We are honored to work with you and to share our Le Moyne community of smart, driven, and generous students. Committed to academic excellence, we prepare our students to take their place in a rapidly changing world through forward-looking, sustainable educational opportunities grounded in the liberal arts. We offer a comprehensive education centered on the whole person to facilitate thoughtful career choices, better personal understanding, and concern for society at large. We invite you to get to know our students and alumni and look forward to working with you to support their achievement of meaningful career success.

Sincerely,

Meredith Tornabene
Director of Career Advising & Development

- Ranked 18th for Information Systems
  U.S. News & World Report

Purcell School of Professional Studies
- Partnerships with top medical universities
- National certification pass rate for students in OT, FNP, and PA programs is greater than 90%

Le Moyne offers over 30 degree programs spanning business, the physical sciences, social sciences, and humanities.
INNOVATIVE PROGRAMMING

Le Moyne leads a number of innovative programs to cultivate career opportunities for our students!

Heights Global Marketing
This student-run marketing firm consists of ambitious students who are trained by Le Moyne College’s expert faculty and are instilled with Jesuit values to bring clients the most contemporary and innovative marketing strategies available.

'Phin Labs
An on-campus hub for hands-on, cross-disciplinary experiential learning in which students of all majors are encouraged to explore and cultivate their entrepreneurial skills. ‘Phin Labs connects students with the resources they need to connect with industry to take on real-world business problems.

The Maker Institute
A student-run organization which focuses on 3D printing, robotics, laser cutting, and artistic design. The mission of The Maker Institute is to promote leadership and responsibility; as well as make advancements to support future engineers.

Vision

All Dolphins are empowered to pursue personal and career fulfillment.

Open-minded | Inclusive | Student-centered | Ethical
Collaborative | Curious | Intentional | Passionate

Mission

Our mission is to provide career coaching and programming grounded in the Jesuit tradition. We encourage self-reflection and experiential learning to empower students to pursue meaningful post-graduate plans and navigate lifelong career-changes. Our priority is to connect students, alumni, faculty and employers to form lasting, collaborative partnerships focused on serving and responding to the ever-changing needs of our global community. We do all of this with genuine care, recognition of the individual, and bold optimism.
BEYOND THE CLASSROOM

At Le Moyne we strive to build world-class thinkers who understand how to navigate life beyond the classroom to find meaningful career success.

The Manresa Program features professional development courses and co-curricular experiences to integrate learning, meaning, calling, and career.

Freshman Year - Become You
Discover who you are - your core strengths, distinctive talents, and deepest passions.

Sophomore Year - Values in Action
Deepen and clarify your core values, enhance your understanding of the world around you, and learn to think - and act - creatively in order to put your talents to work for the greater good.

Junior Year - Think Forward
Expand your perspective, get connected, and put what you are learning into practice.

Senior Year - Meaningful Success
Learn how you can use an education that is inspirational, forward thinking, and timeless to pursue a richer sense of success.

PROMISE NY

We believe in the uniqueness of a Le Moyne education and its power to do good in the world. Promise NY will help more students experience it.

In addition to providing a $10,000 scholarship over four years with no income eligibility requirements, we promise students that:

- We will keep them on a path to complete their undergraduate degree in four years;
- We will connect them to a mentor from our faculty, staff, alumni, or community;
- We will provide them with an internship opportunity;
- We will arrange for a job interview with a Le Moyne graduate.
RECRUITING AT LE MOYNE

1.

RECRUIT
Begin by posting a job or internship on Handshake. Engage with Dolphin talent and grow your brand on campus through career fairs, on-campus interviews, information sessions, and tables.

2.

HOST
Showcase your company and culture by hosting a site visit or tour, leading a job shadowing program, or sponsoring a Dolphin to work at your company.

3.

PARTNER
Join us as a Heights Career Partner to gain the highest level of service to support your talent acquisition needs and maximum exposure to our students.

Are you ready to begin posting positions? Create a free account, post, and manage your opportunities via Handshake, https://lemoyne.joinhandshake.com/
THANK YOU again for your interest in recruiting our Le Moyne students. If you would like to explore ways to engage with our students, please reach out to the Director of Career Advising & Development, Meredith Tornabene. She can work with you to develop a customized recruiting strategy to increase the visibility of your organization on campus and attract top Dolphin talent.
