

March Utilization:

In School Programming:

645 student contacts

After School Programming:

392 student contacts

Saturday STEM academy:

50 student contacts

In total **1,085** student contacts!!!

Happenings This Month:

STEP Field Trip to Rice Creek Field Station, SUNY Oswego was a huge success! Eighteen students/staff attended zoology presentations, went to a nature walk, an exclusive planetarium show about black holes and an amazing lunch at the college!

Saturday STEM Academy

Inspiring presentations were given by our Guest speakers on Saturdays!

What is my superpower, by Zack Mohamed and Azfar Basunia, (Medical School students, Upstate Medical);
Stormy seas make for great sea captain, by Terri Mitchell, Vice President of IBM Integration Executive at IBM Research Triangle Park, Raleigh/Durham, North Carolina

ON POINT FOR COLLEGE MOBILE SITES: JUNIORS AND SENIORS

Check out the list of community (or mobile) sites that On Point has in Syracuse and see which one is most convenient for you. Then call [315-362-5003](tel:315-362-5003) to see when they will have advisors/counselors at that site. Don't wait to meet with them! The more you are in touch with them, the more they can do for you (pay for books, transportation, etc.!!)

JUNIORS: Required SAT Prep!

Juniors, let's get prepared for SAT! You must register for the SAT by Friday, April 6th. Ask for a waiver from your guidance and register on www.collegeboard.org. Open an account, enter the voucher number and choose May 5th for test date. **SAT Test Day: Saturday, May 5th**

Nottingham: Tuesdays: SAT practice with Mr. Jack

Wednesdays: SAT strategies with Miss Zara

Henninger: Mondays: Test Strategies with Dr. Medeiros

STEP/CSTEP OFFICE ADDRESS: Romero Hall 325
Springfield Rd
Syracuse, NY, 13214
Director Email: roopnatd@lemoyne.edu
Phone: (315) 445-4584

Coming in April!

College Seminar At Le Moyne

Friday 4/6th

Come to Le Moyne and join the CSTEP students! Transportation will be provided! See the sign up sheet at your STEP office!

SPRING CELEBRATION OF SCHOLARSHIP

Saturday, April 21 from 11am—2pm

James Commons, Campus Center

Join STEP, CSTEP, LPP and HEOP to recognize more than 500 Le Moyne and Syracuse School District who are using these innovative programs to build their future rooted in meaning and value! **Bring your family!**

WEEKLY AT HENNINGER:

Testing Taking Strategies, Mock interviews, Resume

Get help with Ms. Bevans and Dr. Medeiros to learn strategies to do better on your exams and be prepared for job interviews!

Tuesdays: SAT questions/answers

Wednesdays: SCIENCE DAY:

Special activities designed to enhance your scientific knowledge!

April 4th: Behavior of Gases!

April 11th: The chemistry of slime!

April 18th: Discovering new medicines!

WEEKLY AT NOTTINGHAM:

Mondays: Science Activities

April 2nd : Soda Can Experiment continued...

April 9th: Osmosis!

April 30th: TBD

Tuesdays: SAT Practice: Do SAT

practice problems and passages with Mr. Jack.

Wednesdays: SAT Strategies: Learn

strategies for success on the SAT and explore SAT vocabulary through activities with Miss Zara .

Nottingham and Henninger will receive a gift for their hard work at the end of the quarter. Keep up the hard work!

NO SCHOOL FRIDAY MARCH 30TH
NO STEM ACADEMY SAT MARCH 31
SPRING HOLIDAY APRIL 23-27

Happenings of March:

Science Laboratory at Nottingham

Balloons and Implosions!

The last few weeks, students at Nottingham have been investigating the effects of temperature on the behavior of gases. This week we started experimenting with imploding soda

cans, and will continue testing the effect of changes in water bath temperature to see if we can explain how the implosion occurs! Upcoming will be investigations of osmosis using dialysis tubing!

Upcoming Scientific Reasoning Workshops:

Scientific Reasoning workshops will be continuing at both schools, but will begin to have more of a focus on preparing students for taking the Living Environment Regents. In May, we will then turn to learning all of the biological and chemical tests students will perform on the Seneca Lake research vessel for our Science on Seneca field trip!

YOUR MENTORSHIP MATTERS!

CSTEP students tutoring and mentoring STEP students at Romero Hall, Le Moyne!

Focus On SAT Prep! :

ALL JUNIORS REQUIRED TO ATTEND all SAT prep activities and use Khan Academy and take the SAT test in May 5th. Let us know if you have any ques-

Star Students

Henninger High School

Chawka Albadeh
Shukuru Ndeze
Alae Albadeh
Thalia Frometa
Jules Mugabo
Mahkai Bailey
Rihta Munguyupo
Fatumo Mohamed
Shallythaw Da
Sidali Mohamed

We would like to recognize these students for going above and beyond our expectations.
